December Teach Your Way

### Family Storytelling
- **Sunday, December 28**: Developing Cultural Awareness
  - Educators share models of how to build a culturally responsive learning environment.

### Things That Go
- **Monday, December 29**: Grandpa’s Drum
  - Invite students to explore the importance of diverse cultures and honoring traditions.

### Sharing Your Creativity
- **Tuesday, December 30**: Martha Saves the Day
  - Build vocabulary as you watch Martha drum up an inventive way to transport mom to the hospital on time.

### Let’s Move
- **Wednesday, January 1**: Learning About Forces & Motion
  - This unit shows how to investigate the effects of “push and pull” forces.

### Working Together
- **Thursday, January 2**: Building Ramps
  - Watch real kids explore what types of objects will slide down ramps of different materials.

### Friday, January 3**: Engineer a Rocket Spaceship
  - Create a pulley system to send your gliding rocket ship soaring through space.

### Saturday, January 4**: You Time
  - Carve some time and spend it outdoors on a long walk.

---

The world is full of possibilities and so are your students! Inspire their curiosity each day with the activities, printables, and videos below. Create “anytime” moments of playful learning with resources from pbslearningmedia.org, pbskids.org, and the PBS KIDS Video app.
